

BALL GLOBE BEAVER

The **Ball Globe Beaver** is a low maintenance vender featuring a solid colored body and die cast metal components that are triple chrome plated. With a 10, 12 or 14-inch diameter globe, this vender has a greater capacity and a distinct look. The BGB's dependability, durability and safety features have earned this product a positive global reputation. The BGB offers a choice of body colors, dispensing conversions, coin mechanisms and additional options for convenience and efficiency.

Standard Features and Benefits

Globe: Shatterproof polycarbonate

Coin Mechanism: Standard, triple chrome plated, all metal, 25 cent coin mechanism with penny hole back plate

Metal Parts: Triple chrome plated base, hopper, door, coin mechanism and lid

Body: High impact ABS plastic that maintains color consistency when scratched, 9 great body colors to choose from

Lock and Key: Flat key geographically assigned for your security

Decal: Globe decal in USA, Canadian or Euro currency

Dispensing Conversion: Choice of merchandise dispensing conversions to vend products such as candy, nuts, gum, capsules, etc.

Mounting Hardware: White scuff-proof rubber feet or mounting screws

Safety & Security

Non-toxic lubricant on moving parts

Chute cover protects products from foreign substances

Shatterproof globe

Unique locking lid to prevent vandalizing product and cash

BGB 18

with BGB Option #3
