

***Standard Plan 1-5/16"**

The 1-5/16-inch diameter Medallions are an incredibly versatile coin with excellent space for your logo and brand imaging. These medallions provide a big impact at a low cost.

***Standard Plan 1-5/16"**

The 1-5/16-inch diameter Medallions are an incredibly versatile coin with excellent space for your logo and brand imaging. These medallions provide a big impact at a low cost.

***Premium Plan 1 9/16"**

This plan allows for Bronze & other Premium alloys in the minting process. Color epoxy fill is a great option that adds beauty- value to your Attraction Branded coin. Surface Marking your coin can be designed to allow engraving or stamping as a secondary operation. This flexibility allows each coin to be serial numbered or personalized.
